

Episode 1: L'alphabet français

Salut les ami(e)s ,

For this episode, we're kicking off with a quick, fun refresh!

- 1 ☐ Watch the two short videos below.
- 2 ☐ Repeat the sounds out loud (yes—even if it feels silly, that's how the pros learn!).
- 3 ☐ Pay attention to letters or example words that surprise you. Spot the tricky sounds, copy the rhythm, have fun, and see if you can sound just like the speakers.

🎯 Ready? Allez, on y va! 🇫🇷

1. What is the very first thing shown or said in the video?
 2. Listen to the song. What sentence does the singer say at the end?
(Write them exactly as you hear/see it.)
-

Video 2 → [Watch here](#)

1. What is the example word given for each of these letters: **C, F, H, N, S, V, and Y**?
 2. Choose three other letters from the video. For each one:
 - Write the example word given.
 - Say whether you already knew the word before or if you just discovered it in this video.
 - Briefly explain what caught your attention about them.
-

 **How to structure your answers:**

When you submit, write your answers like this:
