

### POPULATION DILEMMA CRITERION B

Consider the following population pyramids from the UK and Tanzania.

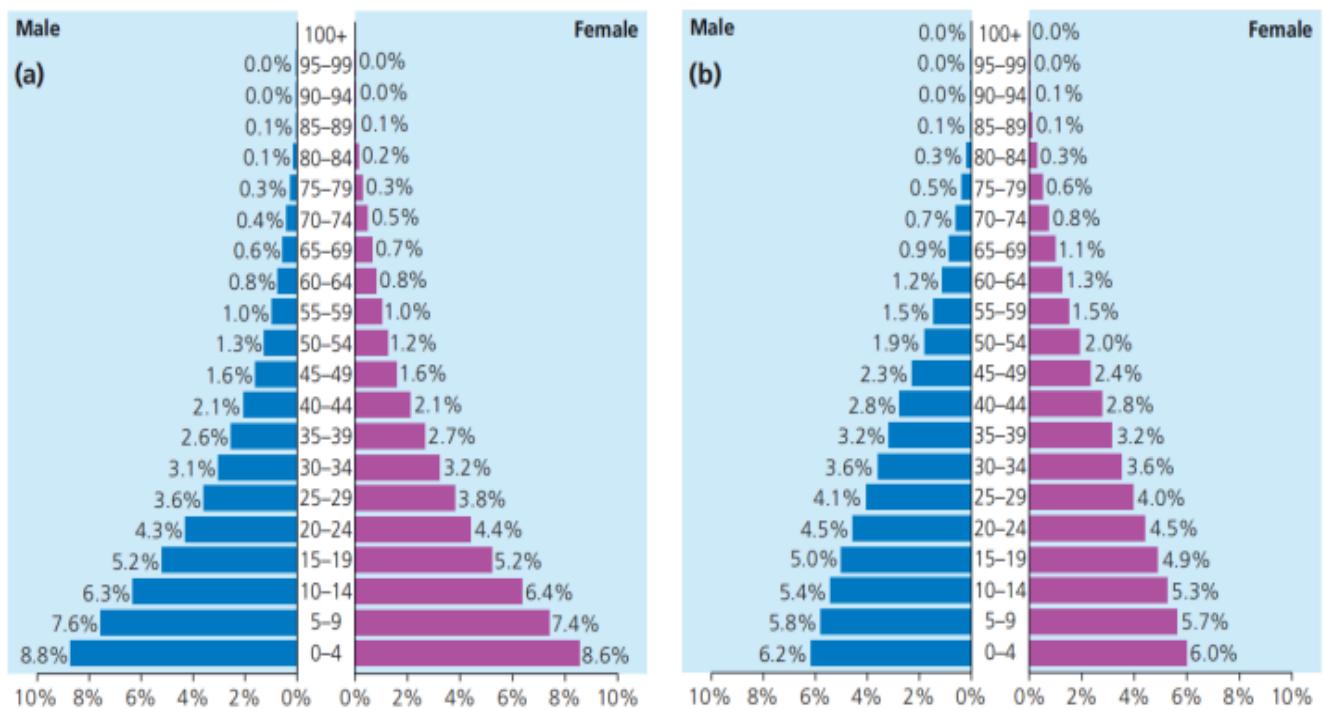

Figure 1.... Population Pyramid of Tanzania in (a)2017 and (b) 2055

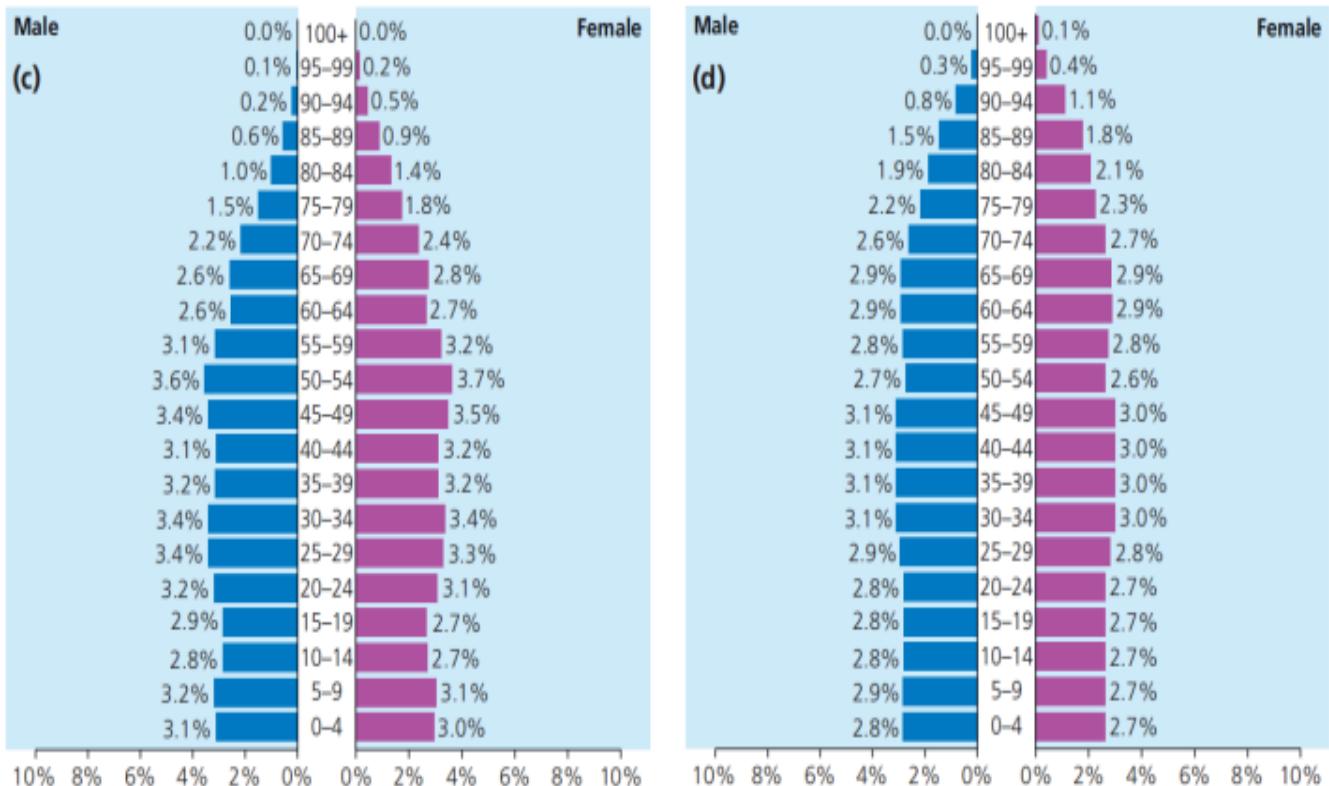

Figure 2.... Population Pyramid of Tanzania in (a)2017 and (b) 2055

## **PART A**

Question 1.

Describe the TYPE of population pyramid for:

- a. the UK in 2017
- b. Tanzania in 2017
- c. the UK in 2055
- d. Tanzania in 2055

Question 2.

For each of the population pyramids, state which stage of the demographic transition model you believe it to be in. Justify your answers.

Question 3.

Demographic structure can be used to demonstrate stages of development. Explain how the population pyramids show that the United Kingdom is more developed than Tanzania.

Question 4.

With reference to the population change shown between the UK in 2017 and 2055, suggest what considerations will need to be made by the government in the provision of services and employment between 2017 and 2055.

## **PART B**

Using the website [www.populationpyramid.net](http://www.populationpyramid.net) select another country of your choice and answer Questions 1–4 for its population pyramids of **2025** and **2075**.
